Your Company incurred a loss after tax of ₹1,701.37 Lakhs in FY 2019-20 as against loss after tax of ₹ 1,262.75 Lakhs in FY 2018-19.

Your Company is operating in Auto Component segment and the products which are being manufactured by the Company are exclusively for industrial use and as such there is no independent market of its final products. The automobile industry and consequently, the auto component industry is going through a tough situation in view of pressure on sales. Thus the Company's performance is dependent on the performance of automobile industries to whom the Company supplies. During the year under review, the net Sales dropped by 24.73 per cent to ₹ 36,224.42 Lakhs as compared to previous year primarily due to reduction in Customer volumes & lower off take from key Customers. Sales of your Company did not grow as expected due to slower ramp up of new businesses and lower off-take from key customers. The capacity utilization of your Company was therefore low as compared to last year. During the financial year 2019-20, the manufacturing costs decreased due to reduced sales and change in product mix as compared to previous financial year 2018-19. Your Company's sales during the year were impacted by lower volumes than expected in all segments considering various developments in auto sector like BS- VI norms transition, introduction of Electric Vehicles in Passenger Vehicle segment resulted into low inventory / production for all OEMs & which was further exacerbated by COVID-19 related lockdown in March 2020.

Due to all above factors the Company has incurred loss (net) of ₹1,701.37 Lakhs for the year ended March 31, 2020.

Automotive Stampings and Assemblies Limited

2) Steps taken by the Company to improve performance:

To address these challenges, your Company has initiated several measures towards achieving organisational and operating efficiencies and controlling costs, alongside working on improvements in processes and controls.

3) Expected increase in productivity and profits in measurable terms:

The above measures undertaken are expected to yield positive results in the coming years. While it is difficult to give precise figures, the above initiatives are expected to improve the financial performance of the Company.
